Subject to the terms and conditions set forth herein, SMG hereby grants to Licensee, and Licensee hereby accepts from SMG, the limited, non-exclusive privilege to enter the Facility for the purpose of conducting business as an Event Contractor. It is expressly understood that this Agreement does not in any way grant or convey any permanent or temporary easement, lease, fee, or other interest in the Facility to the Licensee. This Agreement is not exclusive and SMG specifically reserves the right to grant other rights of entry.

2) Duration.

This License shall commence on the date set forth above and shall continue in full force and effect until terminated by either party. Provided, however, that Licensee's warranties and its insurance and indemnification obligations shall survive the termination of this Agreement.

3) Responsibility for Agents and Employees.

Every act or omission of whatsoever nature by an officer, director, manager, independent contractor, agent or employee of the Licensee shall be deemed and held to be the act or omission of such Licensee.

4) Licensee Information Statement.

Immediately upon the effective date of this Agreement, Licensee shall submit a completed Licensee Information Statement, which is attached to this Agreement as Appendix A. Licensee shall update the Licensee Information Statement prior to any anticipated change affecting the accuracy or completeness of any statement currently on file with SMG. In addition, Licensee shall update the Licensee Information Statement currently on file with SMG. In addition, Licensee shall update the Licensee Information Statement within five (5) days in the event Licensee becomes aware that an existing statement contains inaccurate or incomplete information. SMG shall also send to Licensee a form for certification that the Licensee Information Statement is correct and complete. Not later than January 1st each year, or 30 days after issuance of invoice, whichever is later, Licensee shall remit the License Processing Fee to SMG along with the required certification. A per day surcharge shall be added and due for each day the License Processing Fee is not timely received by SMG. Licensee's failure to pay any SMG issued invoice (whether related or non-related to this Agreement) shall result in termination of this Agreement.

7) Licensee Property- Risk of Loss.

All property of any kind which may be at the Facility (whether belonging to the Licensee or to third parties) shall be at the sole risk of Licensee or those claiming by, through or under Licensee, and SMG shall not be liable to Licensee for any injury, loss or damage to any person or property at the Facility in any event. All equipment and other property brought onto the Facility by Licensee, its agents, employees or invitees shall be stored in areas designated by SMG or its designated representative. SMG shall not be responsible for

- a) Licensee agrees that Licensee will defend, indemnify and hold SMG, the Authority, and their board members, officers, employees, agents and consultants (the "Indemnified Parties") harmless from and against all claims, demands, actions, damages, losses, costs, liabilities, expenses, including attorneys' fees, and judgments asserted against or recovered from the Indemnified Parties arising from or related to this Agreement or its enforcement, including, but not limited to, any injury, personal injury, death, damage or damage to personal property (including damage to the Facility) (collectively "claim(s)") to the extent that any such Claim arises out of, is caused by or results from, in whole or in part, (a) any act, omission, negligence, misconduct, fault, or violation of law or ordinance associated with the use, misuse, or occupancy of Facility by Licensee and its agents, employees, contractors, guests, invitees, or any other person entering the Facility with the implied or express permission of Licensee; or (b) any breach of any representation, warranty, covenant, or provision of this Agreement by Licensee. Licensee covenants and agrees that in case an Indemnified party or the Indemnified Parties shall be made a party to any litigation brought by or against Licensee or relating to this Agreement or to the activities of the Licensee licensed hereunder, then Licensee shall and will also pay all costs and expenses, including reasonable attorneys' fees, court costs, and settlement payments, incurred by or imposed upon the Indemnified Parties by virtue of any such litigation.
- b) Licensee's duty to indemnify does not apply to loss or damage resulting from the sole negligence, sole gross negligence or sole willful misconduct of the Indemnified Parties, provided however, that the Licensee must defend the Indemnified Parties until it has been determined by a court of competent jurisdiction that the loss or damage resulted from the sole negligence, sole gross negligence or sole willful misconduct of the Indemnified Parties.
- c) Licensee's duty to indemnify the Indemnified Parties shall survive the termination or expiration of this License and is independent from, and not limited in any manner by, the Licensee's insurance coverage obtained pursuant to this Agreement or otherwise.

9) Insurance.

The Licensee will secure and furnish to SMG prior to the commencement of this Agreement certificates of insurance that evidence that Licensee has met the insurance requirements set forth in Appendix B. - b) All policies of insurance required hereby shall provide that the insurance company will give notice in writing to SMG at least thirty (30) days in advance of any material change in or cancellation of the policies, provided, however, that such policies shall

also provide that no cancellation or amendment or modification reducing the extent of insurance provided under the policy, once the policies have been filed with SMG, shall be effective if such amendment or modification or cancellation will leave Licensee without insurance of the type herein required to be procured during the term of the Agreement or any portion thereof.

- c) Licensee agrees that it shall not permit any condition to exist which would wholly or partially invalidate such insurance. The failure of the Licensee to provide insurance in accordance with this Section 10 shall be a breach of this Agreement and shall, notwithstanding any cure period set forth in Section 12 below, preclude Licensee's access to the Facility. Failure of SMG to demand certificates or other evidence of full compliance with these insurance requirements or failure of SMG to identify a deficiency from evidence that is provided shall not be construed as a waiver of Licensee's obligation to maintain such insurance as required in this Section 10.
- d) The insurance required pursuant to this Agreement shall be maintained in force for a period of five (5) years following termination of this Agreement and this requirement shall survive beyond the termination of this Agreement.

10) Termination or Suspension for Convenience.
