AN  MANAGED FACILITY

PA Convention Center Charging Station Buyout

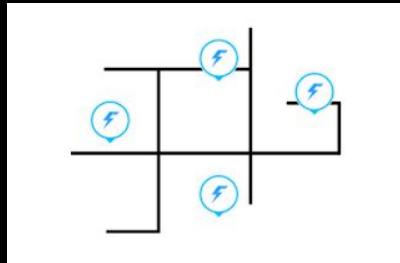

HOW DOES IT WORK

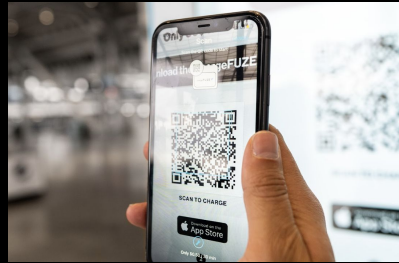

Portable Charging Compatibility: Apple Lighting Cable | USB-C | Micro USB

Customer locates a chargeFUZE station via app or in person via event signage.

Guests can receive a portable charger via texting a number on screen or via a promo code in the app or web app.

Once ejected, guests insert compatible cord into device and automatically begin charging.

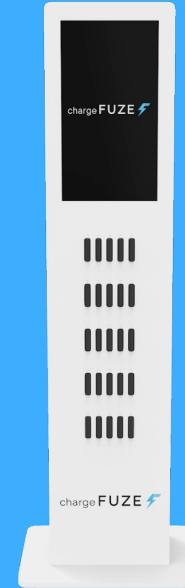

Guest can keep charger as long as they need, and can return to any kiosk at the event or in our network.
